

METHODOLOGY OF ACCOMMODATION RESERVATIONS FOR THE ACADEMIC YEAR 2026/2027

Accommodation reservation – applies to CTU students currently accommodated and partners not studying at CTU who live in a CTU dormitory under an accommodation contract as of the reservation start date, assuming continuation accommodation for the next academic year.

- a) Reserve accommodation in ISKAM4 online in ISKAM4 at <https://web.suz.cvut.cz/Login>.
This to CTU students already accommodated
- b) Accommodated partners not studying at CTU in Prague make a reservation with the economic manager of the relevant dormitory. The reservation will subsequently be confirmed only if there are sufficient accommodation capacities in accordance with the Accommodation Schedule valid for AY 2026/2027.

Information on reservations is provided in the Procedures and Rules of Accommodation at SFA CTU Dormitories in Prague for the Academic Year 2026/2027, Article IV.

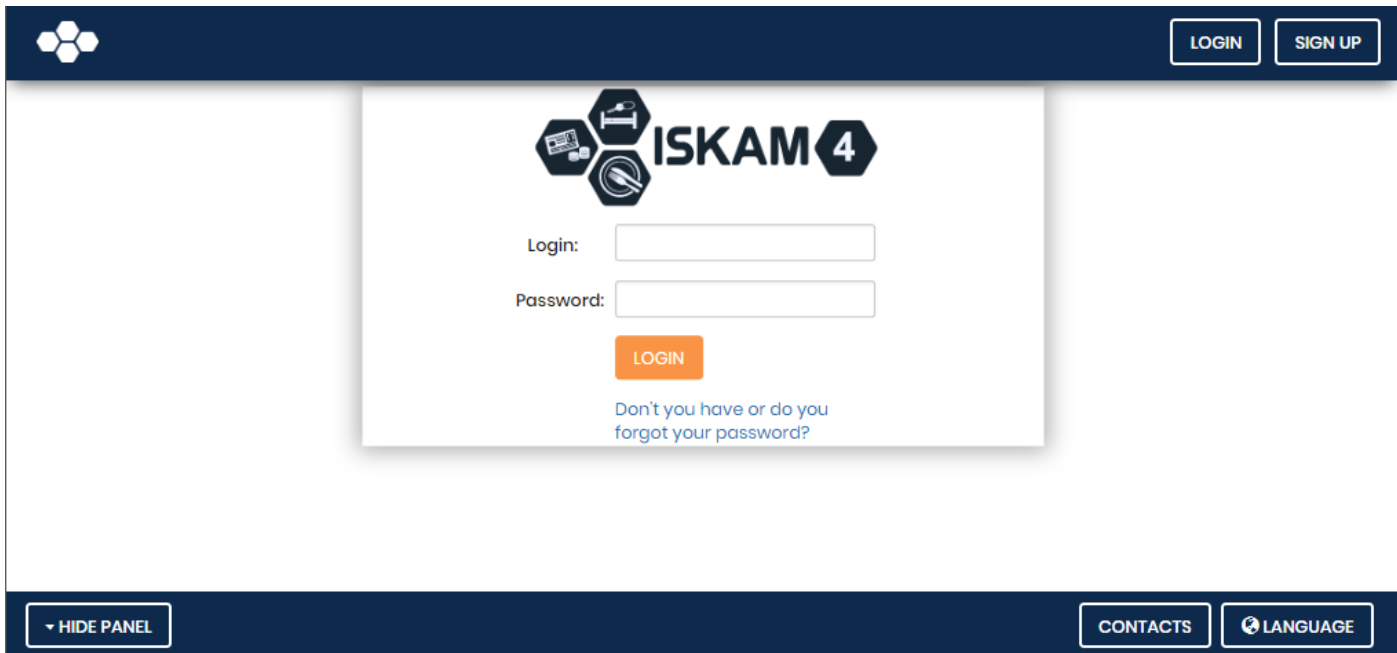

Procedure for submitting a reservation for accommodation for the next academic year 2026/2027 or for those specified above:

Reservations are undertaken over the period: 11.5.2026 – 1.6.2026.

Accommodated CTU students must submit a reservation for accommodation at CTU dormitories personally, by logging in to the web interface at: <https://web.suz.cvut.cz/Login>. Accommodated partners who do not study at the CTU in Prague make their reservation with the economic manager of the relevant dormitory.

(example)

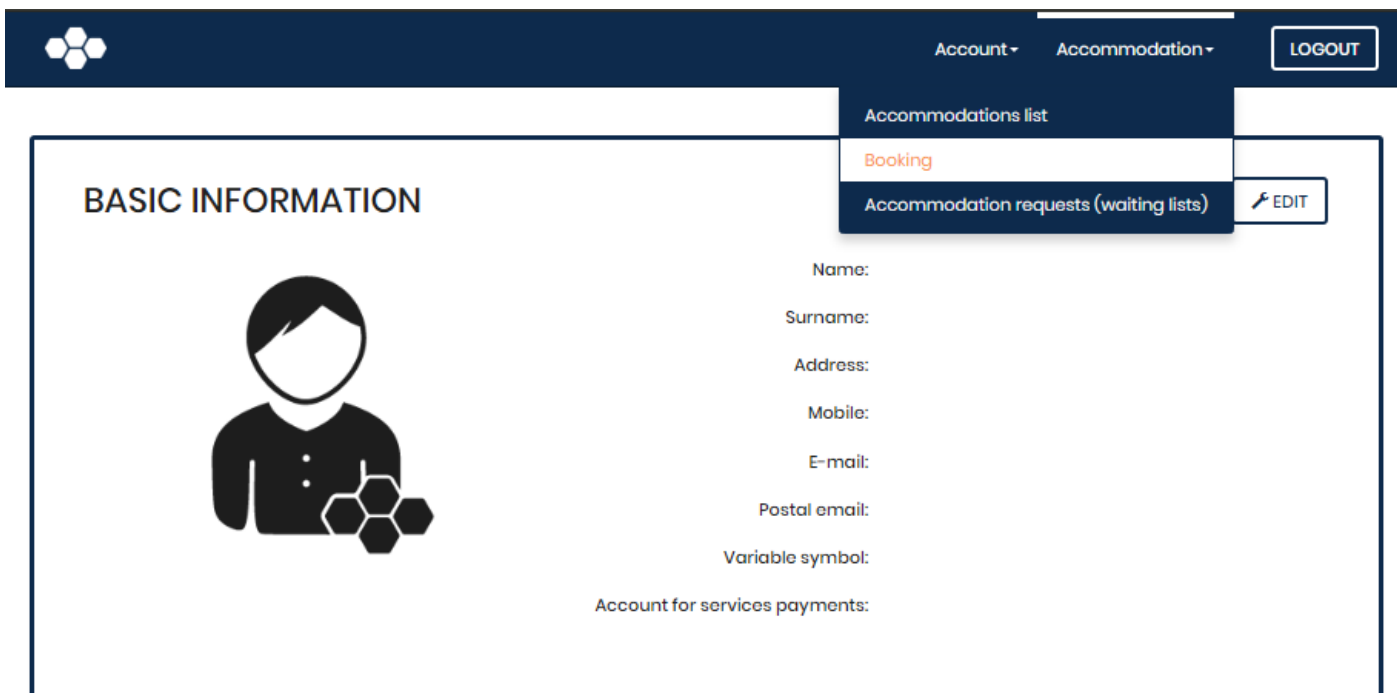

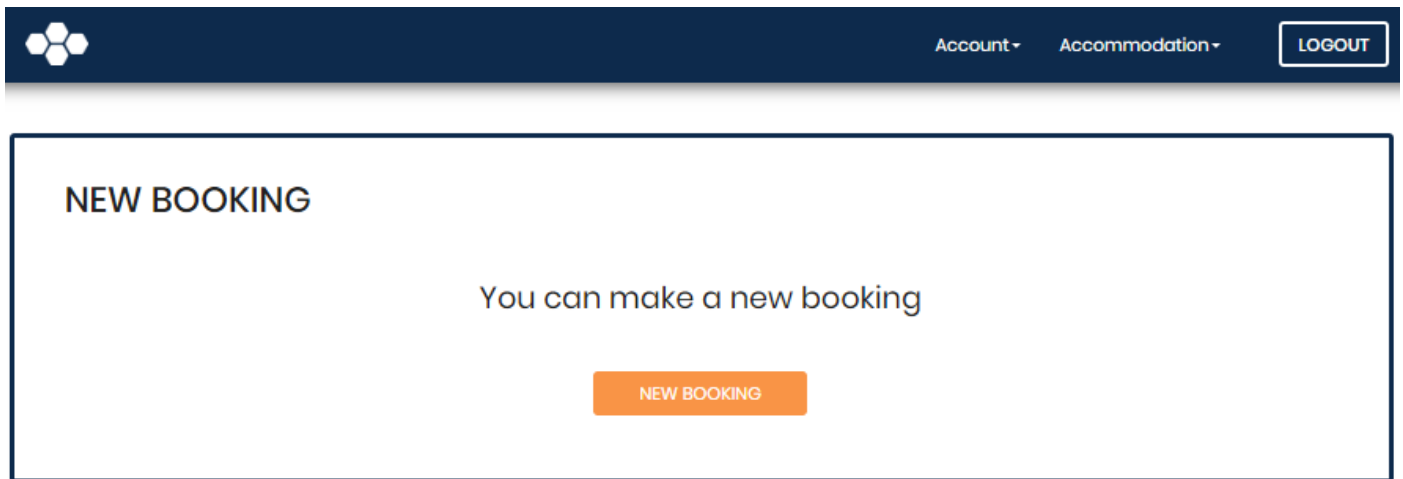

If you have forgotten your log-in password, you can reset your password by clicking on “I do not have a password or have forgotten my password”. Enter the e-mail address you registered and you will be sent an e-mail with a link to reset your password.

If the password reset email does not arrive, ask your economic manager to generate a new password. After logging in, you will go to a webpage with details about your accommodation.

(example)

Select BOOK and you will be able to create a new accommodation reservation (+):

Based on the reservation schedule, you can make reservations as follows:

11.05. – 22.05.2026 Reservations for those living in the year-round zone who want 2026/2027 year-round accommodation for the bed they are currently using. If you are currently using a bed which will not fall within the year-round zone during the next AY, you will not be able to reserve your current bed, and you will have to choose a place within the following dates. Year-round reservations will be made for the period from 07.09.2026 to 31.08.2027. Accommodation for AY 2026/2027, which follows on from the currently ongoing year-round or long-term accommodation for fixed period will be closed from 31.8.2026 in accordance with the Accommodation Schedule.

If you are eligible for a reservation and the web interface does not allow you to make a reservation, please contact the Accommodation Department: ubytovani@cvut.cz

22.05. – 01.06.2026 Reservations for those living in the zone to the end of the summer semester examination period (until vacation) who want 2026/2027 accommodation until the end of the summer semester examination period (until vacation) for their rooms.

Reservations until the end of the summer semester examination period will be made for the period from 07.09.2026 to 28.06.2027.

If you are eligible for a reservation and the web interface does not allow you to make a reservation, please contact the Accommodation Department: ubytovani@cvut.cz

SUMMARY

Dormitory: 06-Strahov

Block: St06

Floor: 0

Room: 12

From: 6/28/2019

To: 9/9/2019

Price per night: 79 Kč

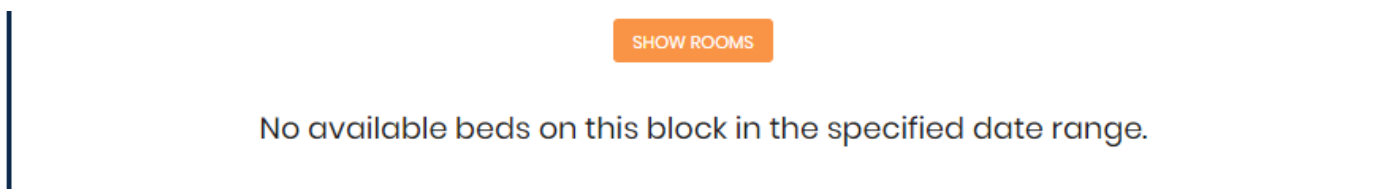

CONFIRM

If you have any problems with making your online reservation, you can ask the economic manager of the relevant dormitory to make the reservation for you.

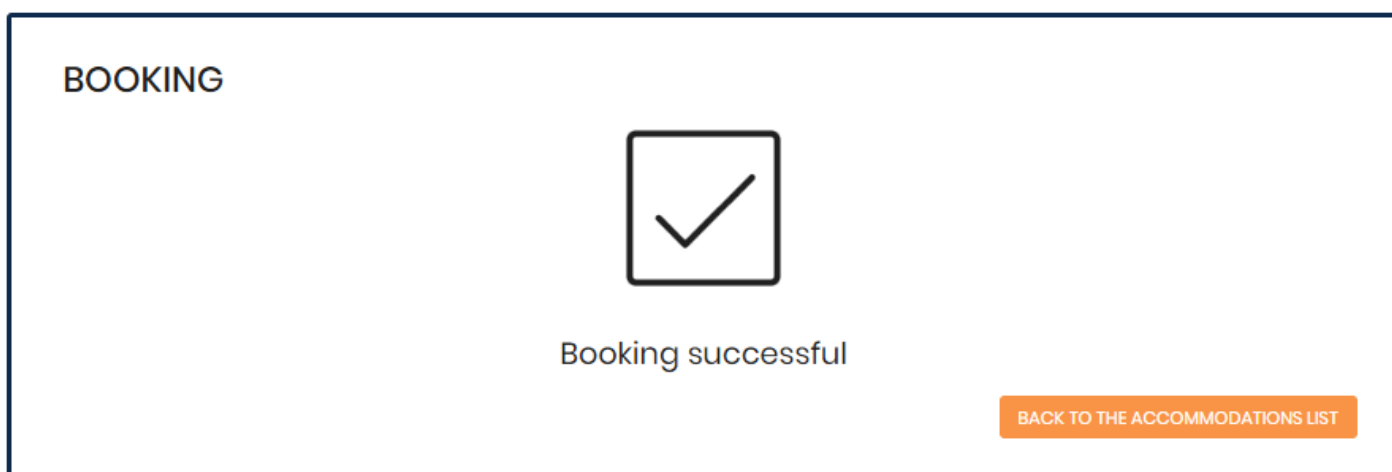

You can only reserve partner accommodation through the economic manager of the relevant dormitory.

Depending on the period, you can confirm the reservation for your current bed. In periods when reservations are only allowed for your bed, it may happen that the room will not be available for the given type of accommodation. In this case, when you select the option to book a room, a screen will appear informing you that such a reservation is not possible:

(example)

If everything is OK, you will be informed that the RESERVATION has been successfully made:

You will subsequently see a row with your current accommodation and also the newly made reservation in the LIST OF ACCOMMODATION:

(example)

Dormitory	Block	Room	Start date	End	Status	Price per night	Detail
Strahov		30	6/28/2019	9/9/2019	Rezervace	Kč	
Strahov		12	9/31/2018	6/27/2019	Ubytování	Kč	

The system is set up such that reservations cannot be changed. In justified cases, a change can be requested in writing to the Accommodation Department: ubytovani@cvut.cz

For other questions (cancellation of an incorrectly entered reservation, adjustment of reservation dates, etc.), please contact the Accommodation Department at e-mail: ubytovani@cvut.cz .

If you have any technical queries send an e-mail to: iskam@suz.cvut.cz .

Watch the site: <https://www.suz.cvut.cz/en>

Frequently asked questions:

1) What username should I use to sign in to the system?

Preferred sign-in methods:

- CTU students may log in to ISKAM4 using their CTU username and password.
- Anyone can log in using their email address given in ISKAM4 and the ISKAM4 password that they set when registering or through password reset (<https://web.suz.cvut.cz/Login/ResetHesla>).

2) I have forgotten my sign-in password for ISKAM4 for signing in using method b. How can I find it out?

If you have forgotten your login password, you can reset your password by clicking on “I do not have a password or have forgotten my password”. Enter the e-mail address you registered and you will be sent an email with a link to reset your password.

If the password reset email does not arrive, ask your economic manager to generate a new password.

The condition is the verification of your personal data and contact email in the ISKAM4 system.
